

# Eureka Expeditions: Geocaching Program

## August 20 - 24, 2017 (4<sup>th</sup> Grade & up)

Join our FACILITATORS as they teach you the keys to the modern day high-tech scavenger hunt known as geocaching. Each day we will travel to a different natural wonder on Long Island where you can use our GPS units to find the hidden clues that will unlock a treasured surprise for all participants.

What is geocaching?

Geocaching is a real-world, outdoor treasure hunting game using GPS-enabled devices.

Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location.
