

Dear Parents,

Field Day is fast approaching. We will be celebrating [Field Day on Friday, June 2, 2017](#) on the field located on the back playground. Please remind your child to be prepared with his/her sneakers for participation. All children should bring a water bottle marked with their name on it. If children have a medical note which excludes them from physical education, they cannot participate in Field Day but they can watch and cheer their classmates on.

Applying sunscreen is important, as we do not have shade on the back playground. We will inform the children of their team colors in a few days, so please remind them to wear as much of their team color as possible. Also, please refrain from bringing pets to the field, as it is against school policy.

We look forward to seeing you on Field Day!
