

## Registration is now open for the Girls/Boys 2018 John Glenn Spring Youth Lacrosse League!

**The program includes the following levels:**

- **K-2nd grade BOYS and GIRLS Development Clinic program- A pure clinic program that introduces the games to K-2 kids.**
- **1-2nd grade boys team- A modified game team for 1-2nd grade boys that includes games against other teams on a modified field**
- **3-6th grade girl's teams- These are full teams that practice and compete in games for 8 weeks against seeded teams in the league**
- **3-6th grade boy's teams- These are full teams that practice and compete in games for 8 weeks against seeded teams in the league**
- **7/8th grade boys- This is a program designed for current 7/8th grade boys to receive pre-season practice and games prior to the EMS season. Once the EMS season begins, games are on Sunday only. The current EMS coaching staff directs this team.**

**All the team programs include**

- **Game Fees and full reversible uniform;**
- **Two coaches per team**
- **Free clinics run by our John Glenn JV/Varsity coaching staff**
- **9 Week Season- One game per week on Sunday;**
- **Home games at John Glenn High School or Boyd;**
- **Two Practices Weeknights- Monday –Friday;**
- **Local competition- mostly Huntington area teams;**
- **Season starts last week of March.**
- **Coaching includes current/former Elwood MS and High School coaches.**

The season will start off this year with clinics and practice weekends for the month of March. We will be using Huntington Turf fields for the first month.

Pass the word to all the kids you know so we can expand the new offerings in the program.
