

The EEE is a not-for-profit organization dedicated to enriching the educational opportunities of all students attending the Elwood School District. The EEE does this through a grant program offered to all faculty within the school district. These grants provide funding for programs and needs not covered by the regular school district budget in such areas as literacy, science, technology, math, character development and more. To date, since its inception in 2004, the EEE has funded over \$530,000 in grants by doing only 2 fundraisers per year: the Evening for Education in the spring and a 5K in the fall. **To learn more, visit www.elwoodendowment.org** or follow us on Facebook. We hope to see you at the upcoming Evening for Education, 5/17/19

Can't make it to the Evening for Education, 5/17/19?
