Operation Safe Child

Officers from the Sheriff's Office photograph and fingerprint children and submit their relevant information to the New York State Department of Criminal Justice Services (Amber Alert). Parents are issued ID cards to keep for their children. The card contains critical information to aid in a child's search should they ever go missing.

Senior ID Cards

The Sheriff's Office Medical ID Cards assist seniors or those with medical needs to keep all required medical information available on a small card with them at all times in case of emergency.
